Playing Experience:

Through High School - Quit in college to focus on school

Coaching Experience:

Three years at Braden River

Coaching License:

Completed Grassroots - working on obtaining my USSF D license this year

Personal Bio:

I've enjoyed the sport of soccer since I was a kid - both playing and watching the pros. After I gave up playing to focus on college, I've found a new passion in coaching. I love getting to know the players and helping them learn the skills needed to be successful both on and off the field. When I'm not coaching, I work as a software developer in Sarasota, FL.
