Personal Bio:

My full name is Gabriel Mazo but also can be called Coach Gabby. Born in Jersey City, NJ, raised in Bridgeport, CT. Parents are of Colombian and Ecuadorian descent. I've been playing soccer my whole life. Started coaching when I was 19 after I tore my ACL before college so didn't get to play collegiately. Won 2 state titles as a coach, one in 2010 with a U-16 team and one in 2015 with a U-18 team. I was also part of the coaching staff for a 2018 state cup champion team with the U-16 team. Became Director of Coaching for Rec and Travel club in Bridgeport where in my first year as DOC had 4 out of 6 Competitive teams play in the playoffs and have 2 of the teams won their league titles. Have multiple premier tournament wins in the Northeast from Needham Memorial Day Showcase to EDP Cup which is the Northeast's best Tournament. Every U-18 team I've coached about 60-70% of the players have been scouted to play or have played collegiately. I came to Florida to work at the IMG Academy and to grow as a coach in a different environment. My philosophy is to give the athletes tools to succeed on and off the field.
